Exploring the Inspiration found in the Pedagogy of Play
Wednesday, March 20th; 3:30 - 4:30 pm
Register - In-Person - Founders 8

Prepare to embark on a delightful journey of wonder and curiosity as you spend an afternoon with your colleagues exploring the pedagogy of play. Bring along an item that represents or sparks your sense of awe and wonder, igniting your curiosity, that will be shared with our group. Engage in activities designed to inspire your curiosity and embrace the joy that learning through play can bring to your day and classroom. Let's make learning a fun and captivating experience together!

AI Infused Learning
Tuesday, March 26th; 12:30 - 1:30 pm
Register - In-Person - Founders 8

In this session, attendees will gain an understanding of how AI can enhance educational experiences, personalize learning, and streamline administrative tasks. Through interactive demonstrations and collaborative discussions, faculty members will learn how to leverage AI tools to foster innovative learning environments. The session aims to empower educators with the knowledge to integrate AI into their curriculum effectively, preparing students for a technology-driven world.
