New Faculty: Keys to Course Evaluations
Wednesday, January 22nd; 3:30 pm - 5:00 pm; Founders 8 (New Faculty Only)

Book Club

Friday, January 24th; 3:30 pm - 5:00 pm; Founders 8 (Registration Closed)

Cultivating Learning Communities: Beyond Basic Engagement
Tuesday, January 28th; 3:30 pm - 4:30 pm; Founders 8 / Virtual
Online Pedagogy and Inclusive Teaching Excellence Series

Transform your online or hybrid course using the Community of Inquiry framework. Learn practical strategies to shift students from content consumers to active participants in a vibrant learning community. This workshop explores how develop experiences to foster meaningful dialogue, critical thinking, and collaborative discovery.

Digital Dialogue: Enhancing Reading with Hypothesis
Wednesday, January 29th; 12:30 pm - 1:30 pm; Founders 8
Digital Teaching Toolkit Series

Discover how Hypothesis, a collaborative annotation tool, transforms static course readings into spaces for dynamic discussion. Learn to guide students in close reading, peer commentary, and meaningful dialogue through digital marginalia. This workshop demonstrates how to set up Hypothesis in Ultra, design engaging annotation activities that deepen student engagement with course texts and hear from fellow faculty that have enjoyed success using Hypothesis.

AI Explorer 1

Friday, January 24th; 1:30 pm - 3:00 pm; Founders 8 (Registration Closed)
